

Steps to joining Summer Health Careers Institute

Follow the steps below to join Summer Health Careers Institute. Spots are on a first come first served basis. You have 1 opportunity to complete the application so read through each section carefully and complete each step. Incomplete applications will not be considered.

1

Obtain your SRJC Student ID Number

If you do not already have an SRJC Student ID, you first need to apply for admission .

[CCC Apply](#)

2

Complete the Dual Enrollment Form

*Only students who will be in 12th grade during Fall 2024.

[Steps to completing Dual Enrollment](#)

3

Complete an SHCI Application

When you submit your application it will be time stamped. After you complete the application you will receive an email with further instructions.

4

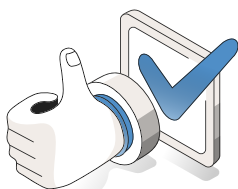

Attend Info Session

Students who complete a program application will be invited to attend an Information Session where you will learn about immunizations required and other program logistics.

*Students under 18 will require a parent/guardian present, students over 18 are welcome to bring a parent/guardian if desired.

5

Submit Immunizations & Receive Add Code

Students will need to set up an appointment to submit copies of immunizations (Immunizations required listed [HERE](#)) At appointment, students **must have all the required documents** in order to receive the add code to register for the class.
